REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Lone Oak Elementary is committed to ensuring that all students have a quality education in a safe and nurturing environment. Lone Oak celebrated many successes due to the continued support, dedication, and partnership of the faculty and staff, students, parents, businesses, and community stakeholders. Together, we work diligently to align our goals and to provide a supportive learning environment that empowers students to become successful both in the classroom and in life.

Our children model diversity, democracy, and citizenship through a comprehensive academic program, foreign language, service learning, and character education. Lone Oak had many celebratory moments that included being awarded the following grants: 21st Century Grant for nearly \$300,000 that created a partnership with the Boys and Girls Club; Safe Routes to School Grant, sponsored by the SCDOT that awarded the school \$200,000; Goody's Good Deeds for Schools Grant in the amount of \$10,000; and the Dollar General Grant in the amount of \$5,000. In addition, faculty members were recipients of Junior League Grants and Donors Choose Grants.

Our Success for All reading program, flexible grouping at all levels, individual tutoring in reading, and before-school, after-school, and summer programs aid in improving student academic weaknesses and address the specific learning needs of students. The programs offer meaningful group and individual instruction in academic, civic, and character education. We will continue to use Northwest Evaluation Association's Measures of Academic Progress (MAP) to get a diagnostic view of each student and to create an education plan for each student. Students were involved in several service projects that contributed to the American Cancer Society, The Humane Society, and families in the Lone Oak Community. Students also collected nearly 1,000 canned goods for local charity.

Lone Oak takes pride in being a culturally diverse school that recognizes and respects individual uniqueness. The growing challenge for our school is the increasing enrollment of English Speakers of Other Languages (ESOL) and limited English proficient students (LEP). To address the school's rapidly growing demographic change, the school has increased opportunities for student involvement through curricular and extra-curricular programs. Numerous after-school clubs provide additional enrichment opportunities for students. We continue to celebrate our children's growth through Honor Roll recognitions, Terrific Kid, Accelerated Reader (AR) parties, and achievement in the related arts.

Lone Oak Elementary takes pride in being designated as a Red Carpet School. We will continue to offer our learning community first-class customer service by reinforcing our mission statement of striving for excellence.
